### § 451.01 Definitions.

All definitions contained in 50 CFR 450.01 are applicable to this part.

### § 451.02 Applications for exemptions.

(a) *Scope.* This section prescribes the application procedures for applying for an exemption from the requirements of section 7(a)(2) of the Endangered Species Act, as amended.

(b) *Where to apply.* Applications should be made to the appropriate Secretary(ies) by writing:

(1) The Secretary, Attention: Endangered Species Committee, Department of the Interior, 18th and C Street, NW., Washington, DC 20240.

(2) The Secretary, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20030.

(c) *Who may apply.* (1) A Federal agency, (2) the Governor of the State in which an agency action will occur, if any, or (3) a permit or license applicant may apply to the Secretary for an exemption for an agency action if, after consultation under section 7(a)(2) of the Act, the Secretary's opinion indicates that the agency action would violate section 7(a)(2) of the Act.

(d) *When to apply.* (1) Except in the case of agency action involving a permit or license application, an application for an exemption must be submit-

If administrative review is sought, an application for an exemption may be submitted if that review results in a formal denial of the permit or license. For an exemption application to be considered, it must be submitted within 90 days after the date of a formal denial of a permit or license.

(e) *Contents of the application when submitted.* Exemption applicants must provide the following information at the time the application is submitted.

(1) Name, mailing address, and phone number, including the name and telephone number of an individual to be contacted regarding the application.

(2) If the applicant is a Federal agency:

(i) A comprehensive description of the proposed agency action and if a license or permit denial is involved, a comprehensive description of the license or permit applicant's proposed action.

(ii) In the case of a denial of a license or permit, a description of the permit or license sought, including a statement of who in the Federal agency denied the permit or license, the grounds for the denial, and a copy of the permit or license denial.

(iii) A description of all permit(s), license(s) or other legal requirements which have been satisfied or obtained, or which must still be satisfied or obtained, before the proposed action can proceed.

(iv) A description of the consultation process carried out pursuant to section 7(a) of the Act.

(v) A copy of the biological assessment, if one was prepared.

(vi) A copy of the biological opinion.

(vii) A description of each alternative to the proposed action considered by the Federal agency, by the licensing or
